## **CHARACTER DEVELOPMENT**

At Impact Martial Arts, we believe in reinforcing good behavior and teaching our campers the importance of our five core character traits: Courtesy, Integrity, Perseverance, Self-Control, and Indomitable Spirit. We recognize good character at camp by pointing out children who display these traits throughout the day.

## **MEDICINE PROCEDURES**

Please do not pack medication with your child's belongings. Parents (not the child) must leave necessary medication with a staff member during drop off. Medication must be in its original container with written instructions for dispensing. A Medication Form must be provided for staff to dispense all medications including over the counter medications such as topical ointments. Forms will be available via emails and on the website closer to the start of summer. Generally, children are prohibited from having medication with them, unless the medication is dispensed on their person (such as an insulin pump) or a doctor has specifically indicated in writing that the child may self-administer and safety precautions are met for the safe handling of the medication. A parent or guardian must give the medication to the camp staff. For safety reasons, all medications are stored and locked in the program office. Notice: For those children who may require injections, medications that require insertion into a

body cavity, and/or have other special medical needs, Impact Martial Arts will consider all requests for reasonable modifications to its program, including meeting with the parent(s) or guardian(s) of such children to discuss such modifications, and strive to develop a mutually acceptable plan designed to address the medical circumstances of each child, provided that the requested accommodation does not amount to a fundamental alteration to its program.

## **SUNSCREEN**

Sunscreen can be brought with the child to the program. Children must be able to apply sunscreen independently. Our staff are not permitted to apply sunscreen on the children unless it is the spray sunscreen.

## **WHEN TO STAY HOME**

Please do not send your child to Impact Martial Arts programs with any of the following symptoms:

- Sore throat • Excessive coughing • Diarrhea or vomiting • Fever • Head lice • Undiagnosed rash, sore, or other skin condition • Any other contagious disease or symptom

Due to Covid-19, a child must be diarrhea, vomiting and fever-free for a full 24 hours before returning to the program. A physician's note may be required before re-admitting a child to the program. Until further notice, children should stay home if they or someone in their immediate household is awaiting test results or has tested positive for COVID-19.

## **INCLEMENT WEATHER**

In the event of severe rain, lightning or other unsafe conditions, activities will be modified as necessary to ensure the safety of all participants. Severe weather may affect the pickup process. In cases of driving rain and/or lightning, staff will keep children sheltered until conditions improve. This may slow down the pickup process, requiring drivers to wait. The safety of Impact MA children and staff is our first priority.

## **DROP OFF & PICKUP**

Early drop off begins at 7:30am and pickup ends at 6:30pm. Breakfast nor Dinner is served. Parents will be asked to sign camper out and present a photo ID at the time of pickup.

## **PICKUP PROCEDURES**

At pickup time, children will only be released to parents, legal guardians and those designated as emergency contacts with pickup on your child's account. If you need to add a permanent authorized pick up, you can update your authorized pick up list. Please notify director to update the list. If you plan to have anyone else pick up your child for a specific date and do not want them added to the list permanently, you must notify the staff in writing via a handwritten note or email the Camp Director. Parents who drop off or pickup will do so with an Impact camp staff member either at the entrance of the YMCA or in the Impact Martial Arts Room. Severe weather may affect the pickup process. In cases of driving rain and/or lightning, staff will keep children sheltered until conditions improve.

## **PICKUP LATE FEE**

Children not picked up by the close of the program will be supervised by Impact staff. The Y will assess a fee of \$1 per minute after the program officially ends (for which payment will be expected upon pick up). Every attempt will be made to contact the parent. If the parent has still not arrived one hour after program end time and parents are not reachable, DHR and local authorities will be contacted.

## **BEHAVIOR EXPECTATIONS**

At the Impact Martial Arts, our behavior expectations and discipline procedures are based on our core values of courtesy, integrity, perseverance, self-control, and indomitable spirit. We believe in creating a safe, secure, and fun environment where all youth have the opportunity to learn the importance of demonstrating good character. We believe that in order to do this, all youth need to know and understand the rules and expectations for appropriate behavior. We also believe that when youth do not follow the rules or when they demonstrate inappropriate behavior, we have an opportunity to help youth learn from their mistakes. Impact Martial Arts promotes behavior guidance and discipline through creating a positive environment, developing structure and clear limits, promoting social and emotional learning, reinforcing our core values and addressing challenging behaviors. Impact Martial Arts' programs use six simple rules to communicate behavior expectations to the youth in our care. The purpose of these rules is to ensure the safety of our campers and staff and to create a positive environment for all. The rules are: ● Listen and follow directions. ● Do what's right. ● Keep your hands and feet to yourself. ● Try everything and do your best. ● Be an Upstander. If you see something, say something. ● Be safe and have fun! All youth are expected to follow the rules established by Impact Martial Arts for the safety of all youth in the program. Your cooperation and support ensure that all youth have a safe and fun experience.

Impact Martial Arts does not allow the following behaviors including but not limited to: ● Any action that could threaten the physical or emotional safety of the youth, other youth or staff. Prohibited conduct may include, but is not limited to: abusive jokes, insults, slurs, threats, name-calling or intimidation ● Destructive behavior ● Behavior that is a violation of personal boundaries or is of a habitual nature and negatively impacts the program, and/or safety and enjoyment of others ● Behavior that is of a sexual nature ● Not following procedures related to help reduce the spread of COVID-19. This may include disregarding social distancing and purposefully coughing/sneezing on each other.

Impact Martial Arts uses positive discipline which means staff members promote desired behaviors through teaching and reinforcement. Staff will redirect or problem-solve with youth when they are not displaying desired behaviors, rather than restrict behaviors by taking away opportunities or controlling youth with fear of punishment. We believe this approach focuses on the needs of the youth and contributes positively to the youth's overall development.

Staff shall use positive discipline, which shall include the following: ● Communicate to youth using positive statements ● Encourage youth, with adult support, to use their own words and solutions in order to resolve interpersonal conflicts ● Communicate with youth by getting on their level and talking to them in a calm, quiet manner about the behavior that is expected.

## **IMPACT MA DISCIPLINE PROCEDURES**

If a youth is unable to meet established behavior expectations, Impact staff will follow these disciplinary procedures below. The Impact staff desire to partner with families of the youth in our care. If at any time you have concerns about your child's behavior or success in our program, please do not hesitate to reach out to your Director to set up a conference. 1. Conversation between staff and youth to discuss behavior and reset expectations. 2. Staff will first use positive reinforcement and redirection to redirect a youth's behavior. If this is ineffective, staff may use a timeout as an opportunity for the youth to take a break from the behavior before rejoining the group. 3. Staff will communicate with parents/guardians if/when youth is not following established Impact MA rules. This communication may be at check out, over the phone or via a parent conference. 4. If positive discipline and redirection are ineffective in changing the youth's behavior, the Director may suspend the youth. The length of suspension will be determined based on each individual situation. Factors such as type/severity of behavior, behavior history, age of youth, etc. will be considered when determining the length of the suspension. 5. If the youth continues to have challenges after a suspension, the Director may set up a conference with the parent/guardian to develop a behavior plan for the youth. 6. If neither suspensions nor a behavior plan are effective in changing the child's behavior, the child may be dismissed from the program. Dismissal from the program for disciplinary reasons could result in permanent removal from all Impact MA programs.

## **SPECIAL CIRCUMSTANCES**

The goal of Impact Martial Arts is to meaningfully include all youth and provide accommodations in our programs when needed. To help us achieve this goal, we respectfully ask parents or guardians to inform Impact MA, prior to the start of the program, of any special circumstances which may affect your child's ability to participate. By providing information regarding the strengths and needs of your child, the staff can prepare helpful accommodations that will better serve all children in our programs. Upon being informed of such circumstances, the Director or other staff member may request a meeting to gather more information and discuss the accommodations that can be created to successfully include your child.

## **BULLYING AND CONFLICT RESOLUTION**

Bullying is any unwanted behavior that involves a power imbalance. Here at Impact MA, our goal is to stop bullying, and we encourage our participants, parents, and staff to be Upstanders. An Upstander is one who recognizes when something is wrong and acts to make it right. If there is disclosure, discovery, or suspicion of bullying, we will handle each instance case by case and with care. At Impact MA we are building a caring, respectful, honest, and responsible community for all; the safety of our program participants is our main concern. Conversely, we define conflict as a disagreement or argument in which both sides express their views and there is an equal power balance. We believe conflict with resolution is a natural and important part of Youth Development. Conflict can be constructive if managed in the right way. We will identify and resolve conflicts in a healthy and proactive fashion. The conflict resolution skills we learn and practice will make a positive impact on our programs and in every child's future.

## **CARING STAFF**

Impact MA prides itself on hiring quality staff that embody our Mission and have a passion for being a positive role model for children. Many of our counselors are Impact Instructors, Black Belts, parents, and teen students. Staff members are selected by the Director and often have previous experience. Each staff member leading activities are trained in coordinating and carrying out activities, walking campers to and from locations such as outdoor park or city pool. We attempt to work with a 1:6 staff:camper ratio.
