KICK FOR A CURE MARTIAL ARTS TOURNAMENT BENEFITTING ST. JUDE CHILDREN'S RESEARCH HOSPITAL

The St. Jude Kick-A-Thon was established to support the wonderful hospital of St. Jude Children's Research Hospital. Students from local and visiting Martial Arts schools showcase their martial arts skills to raise donations for St. Jude. The tournament carries on the tradition of fun competition by establishing a premium charity martial arts tournament with all net proceeds sent to benefit St. Jude Children's Research Hospital.

The tournament will be held at Geaux Play Sports Training and Fitness facility in Pelham, AL on April, 17th 2021. The event will provide a full day of fun and safe competition and an inspirational experience.

As you may know, to host any kind of event there are different expenses that makes an event possible. Our main expenses are trophies, medals and other awards, t-shirts, concession, printing material and banners, and venue rent. Fortunately for us, we are blessed to have Geaux Play as an event partner by providing their facility at no charge for our event.

We are looking for more awesome sponsors like them!

With the help of our sponsors, our tournament expenses are taken care of which allows all the tournament competitor entry fees, concession sales, t-shirt sales, and the remaining sponsorship donations to go to St. Jude Children's Research Hospital. So, we see it as the more sponsorships we have the more money benefitting the hospital.

Why St. Jude? If you know anything about St. Jude Children's Research Hospital; it's that any expenses a family can't pay – St. Jude pays for ALL treatment, travel, housing, and meals for patients and family. Unlike other hospitals, the majority of St. Jude's funding comes from individual contributions. St. Jude is a remarkable hospital that provides a normal life for families and children as they are battling great obstacles.

Personally I, Sean Gilham, have visited the hospital in Memphis, TN almost every year we have held our event since 2013. First hand I have seen the beauty of the hospital, the details, care and love that workers and doctors put in to make this a comfortable hospital for children. I have been blessed to be educated by St. Jude fundraiser employees about the hospital during tours and meetings. It is a wonderful hospital and a great cause to be a part of.

We thank you for taking the time to read our sponsorship package and we will be grateful to partner with you for our event to have a successful fundraiser event for the children and families at St. Jude Children's Research Hospital. Thank you!
